

TREFFOS SCHOOL

INDEPENDENT SCHOOL, NORTH WALES

Thank you for making the switch to online learning in such a purposeful way! It's working really well for us; the range of activities is great. The daily Zoom is great to keep her focused and to provide some variety during the day.
- Uppers Parent

Key Worker Provision

We are so grateful for everything and the key worker provision is invaluable to us as a family.
- Infants Parent

Distance Learning

Pupils, teachers and parents travelled up a steep learning curve and mastered a new range of skills to produce some inspired work via their virtual classrooms.

Heroes

Our whole School topic NHS workers and Captain Tom inspired letter writing and artwork. Not forgetting our very own homegrown heroes: Tanya, Gemma & Laura.

Dear Colonel Tom Moore,

You have inspired me to reach my goals during this period. I can't believe you walked 100 laps of your garden. It's amazing how much you have raised for the NHS. I was delighted to donate to your fundraising effort and I'm sure every penny counts!

A Great Western railway train has been named in your honour too and it was fantastic to see the military flyover of the Spitfire and Hurricane past your home on your birthday.....

Yours sincerely,
10 years old Millie

Physical Activity

Keeping fit in body and mind by staying active, enjoying nature and making the most of our beautiful island.
