

TREFFOS SCHOOL
INDEPENDENT SCHOOL, NORTH WALES

Lovely Memories of Christmas Past

What will Christmas Present hold?

There'll still be all the excitement of the Christmas Productions, even if the audiences have to be virtual and each class has to keep to their Bubble for the Christmas Party. Father Christmas may not be able to give out presents by the log fire in the Hall, but there's a Winter Wonderland outdoors & we'll find lots of ways to celebrate and have fun.

SCAN ME

Outdoor Learning

The children enjoy making the most of the Great Outdoors, using all of their senses to bring learning to life across the curriculum. Inspired by Michael Rosen's *We're Going on a Bear Hunt*, Kindergarten went on a bear hunt around the grounds of the School. Scan the QR code to watch the video.

To book a socially distanced tour please email info@treffos.org
